

DUMPSTER DAYS GRANT DESCRIPTION

A program to help neighbors get to know one another and to beautify Wheat Ridge neighborhoods.

Purpose: Sometimes our neighborhoods start to accumulate junk. Debris piles accumulate, couches sit on porches, overgrown bushes need pruning and everything needs a good raking. Dumpster Days is your chance to get your neighbors to work together and fill a dumpster with all of this junk. Get to know your neighbors and help tidy up the neighborhood.

Eligibility: All Wheat Ridge neighborhoods are eligible to participate once in the TLC Neighborhoods program.

Details: Selected applicants will have a 20- or 30-yard dumpster dropped off for the chosen weekend. There is usually a Friday drop-off and a Monday morning pick-up. A Localworks banner will be displayed on the dumpster. This is NOT for personal construction debris. Neighbors must agree to participate and sign up on the application.

Included Materials: Yard debris, furniture, general trash, appliances

Materials Not Allowed: paint in liquid form, refrigerators, toxic items such as batteries and motor oil, large construction debris, household food garbage, and tires.

Dumpster Placement: The preferred placement is on a private driveway of one of the households participating in the event. The property owner must sign a liability waiver Localworks allowing the placement of the dumpster on their property.

Duties: The person listed on this application is responsible for organizing the event with assistance from Localworks staff and volunteers.

As a part of receiving this grant, Localworks will provide a Localworks banner to display, distribute Localworks information and City of Wheat Ridge property maintenance regulations. Localworks staff or volunteers may also stop by the weekend of the event to say hello and to talk with your neighbors about the activities of our organization.

Reporting: Finally, as part of our accountability to the community, we ask that the event organizer submit a final report evaluating the success of the event. Also, please take pictures of the event to submit to Localworks. A sample of the Final Report is available.

Please submit your application at least two weeks before your desired Dumpster Day weekend.

Thank you for helping to strengthen your neighborhood in Wheat Ridge!
