

DUMPSTER DAYS GRANT OVERVIEW

A program to help neighbors get to know one another and to beautify Wheat Ridge neighborhoods.

Purpose: Sometimes, our neighborhoods start to accumulate junk. Debris piles accumulate, couches sit on porches, overgrown bushes need pruning, and everything needs a good raking. *Dumpster Days* is your chance to get your neighbors to work together and fill a dumpster with all of this junk. Get to know your neighbors and help tidy up the neighborhood!

Eligibility: All Wheat Ridge neighborhoods are eligible to participate.

Details: Selected applicants will have a 30-foot dumpster dropped off for the chosen weekend. There is usually a Friday drop-off (any time before 7:00pm) and a Monday morning pick-up. This is NOT for personal construction debris. A minimum of four (4) neighbors must agree to participate and sign up on the application.

Materials Allowed: Yard debris, furniture, general trash, appliances

Materials Not Allowed: paint in liquid form, refrigerators, toxic items (such as batteries and motor oil), large construction debris, household food garbage, and tires.

Dumpster Placement:

In the Driveway: The preferred placement is on a private driveway of one of the households participating in the event. The cost is free to place the dumpster in a driveway.

On the Street: You can request to have the dumpster placed on city streets. However, because the streets belong to the City of Wheat Ridge, you will need to get a permit from the City. There is a \$100 fee for the permit, but the permit is valid for five (5) years. (So, once you get your permit, you can have the dumpster placed on the street instead of your driveway any time with the five-year term before having to get a new permit.) To get the permit application, do the following steps:

1. On the city's website, you can go to (<http://www.ci.wheatridge.co.us/DocumentCenter/View/18282/Short-Term-Revocable-Permit-Agreement>) and print out the PDF.
 - a. Alternatively, you can go to the City Hall building (7500 W 29th Ave) and request for a "Short Term Revocable Permit Agreement."
2. Fill out the application to give to the city with the \$100 permit fee.

Duties: The applicant listed on this application is responsible for organizing the event (with assistance from Localworks staff and volunteers, of course!) 😊

Reporting: No official reporting is needed. We just ask that you please take pictures of the event to submit to Localworks. 😊

****IMPORTANT**:** Please submit your application at least two weeks before your desired dumpster day weekend. We cannot deliver a dumpster on the weekend immediately following the day we receive your application.

Thank you for helping to strengthen your neighborhood in Wheat Ridge!
